Chief Ration Census Officer.

OFFICE OF THE CHIEF RATION CENSUS
OFFICER, MAYAKONDA TOWN.

Notification No. M. C. 17, dated 20th May 1944.

**Notification under Rule 11 of the Mysore Ration
Census Order.**

It is hereby notified for the information of the citizens of Mayakonda Town that the following arrangements are made for the distribution of fresh ration cards within the limits of the town.

Distribution of the ration cards will be made between the 20th and 25th June 1944, at the several Depots between 9 A.M. to 10-30 A.M. and 6 P.M. to 7 P.M. each working day.

2. New cards will be available for distribution at the Depots nearest to the place of residence of the card-holders.

3. A new ration card will be issued only on surrender of the census acknowledgment and the identification cards issued by the Municipality. The person in whose name the card is issued should sign or affix his or her left thumb print in the space provided on the card and the counterfoil before delivery.

4. Holders of ration cards who, for any reason, are unable to appear at the depots for giving the acknowledgment and taking the ration cards, may send at their own risk the census acknowledgment and the old identification cards together with a letter requesting that the new card may be handed over to the bearer of the letter. In such cases, the old identification card and the acknowledgment slip will be retained in the depot and the new ration card together with the counter part of it which is meant for record in the depot (and on both of which the holder's signature will be necessary) will be handed over to the bearer under acknowledgment. The holder of the ration card should thereupon, sign both on the ration card and on the counterfoil and return both parts of the card. Thereafter the counterfoil of the ration card will be retained in the depot concerned and the card returned to the bearer. It must be distinctly understood that the depot concerned will accept no responsibility whatever for loss or misplacement of ration cards sent through bearers under the above arrangements.

5. The manager of each depot concerned has been requested to display in front of the depot in a prominent place a list of ration census counterfoil numbers against which and the dates on which the fresh ration cards will be issued. All house-holders are requested to co-operate in this arrangement and take their new ration cards in conformity with the local arrangements made.

6. Every holder of a current identification card will be entitled to draw rations up to the end of 25th June 1944, on the existing cards and the new cards will be current only with effect from 26th June 1944, unless the rations are otherwise adjusted.

7. As a rule, rations have been allowed for all the relatives as declared by house-holders except where the number of members declared is found to be exaggerated. Regarding non-relatives diverse claims have been made for friends, guests, servants, cooks, drivers, pujaries, archaks, vokkalagittis, purohitis, wara, biksha, etc., as permanent inmates; such claims have been suitably cut down. Holders of ration cards who for any reason desire to get their cards amended may file an application addressed to the Rationing Officer, Mayakonda Town, with the Assistant Food Inspector of the division concerned stating their grievances but quoting three numbers (1) their identification card number, (2) the Ration Census number, and (3) the new card number when the matter will be worked into. Whenever a claim is preferred on behalf of a person not related to the head of the family, full particulars have to be furnished in Form No. III hereunder.

and the census acknowledgment will have to be sur-
rendered before the new ration card is issued. If, in
any particular case either of the two is lost, it is for
the house-holder to convince the Local Assistant

of the claim and thereupon, he may after verifying the
old identification card number and the census
acknowledgment number of the particular person issue
the fresh ration card if the other particulars agree.

approach the Rationing Officer, Mayakonda Town, for
the fresh permits unless expressly permitted by him
to register with any particular depot in which case
they will be available at the depot concerned.
